SettleMe: Track your settlement from anywhere, anytime and on any device

Transparent

Stay informed with a personalised checklist and information on each step of the process.

Safe and secure

SettleMe is powered by PEXA, Australia's official online property exchange.

Instant notifications

Receive instant alerts as your settlement progresses, via SMS or email.

Settlement tracking

Easily stay up-to-date with the progress of your settlement.

"The SettleMe app gave us step-by-step instructions of what we were required to do as a buyer. When a major task was ticked off, you received an email to say that it had been done. So everyone was kept in the loop at every step of the way, right up until the day of settlement."
